Reception to  
Year 1  
Transition 2020

# Transition

Children will soon begin their transition into Year 1. This is a big step for Reception children as they enter a more formal stage of their education.

As our usual Summer Term transition opportunities have been unable to take place we are keen to ensure that every child is able to begin their journey into Year One in the smoothest manner possible. This will include careful discussion and planning to consider:

- Appropriate resources and layout of classroom environment.
- More smaller group work rather than full-class teaching for first half term.
- Transition meetings between previous and new class teachers to share relevant pupil information.
- Timetabling of staff to provide extra support for pupils during initial weeks.
- Appropriate planning of teaching and learning to take into account pupil's current needs and possible learning gaps as a result of the current situation.

\*Please check letter included in school reports for further transition information.
