

Effective use of PE and Sport Funding

Edward the Elder Primary School 2016 - 2017

Overall Aim:

"Every child will enjoy increased participation in sporting activities and develop a healthier lifestyle."

Edward the Elder Primary School will use its Sports Premium Grant to improve P.E and Sports participation across the school and will promote healthy lifestyles for all children.

Edward the Elder Primary School will offer an increasing number of children the opportunity to *compete* for our school in an increasing number of Sporting events and improve the opportunity to develop the excellence of talented children.

The two main aspects that we will develop are:

- Improving the quality of teaching and learning in P.E and other relevant subject areas.

The school will use the Sports Premium grant to raise the standard of teaching and learning in PE, through input from specialist P.E coaches specialising in games; multi skills, football, racket sports etc....

Currently this provision is delivered by Soccer 2000 and Sports Plus, Commando Joe was a group used also up to March 2017.

These specialist P.E teachers will be used to teach P.E across all three key stages each week. This will underpin progression and continuity of children's sporting skills.

- Increasing participation in sporting activities and high quality PE lessons for all

Increasing participation in sporting activities and local competition and encourage excellence in a wider variety of sports. Increasing the

opportunities to take part in inter and intra -school competition will also raise levels of motivation and enthusiasm. The Sports Funding will fund the costs of participation in competitions, but more importantly the ever increasing costs of transport to different venues. Edward the Elder is currently fortunate to have a school mini bus, a contribution from this grant will be used to run and maintain this resource.

This will be extended to the offer of an additional after school club (Sports Plus) for children in Key Stage 2 ahead of any selection to traditional school teams.

Nature of support
<ul style="list-style-type: none"> • Sports coaches from two providers; Soccer 2000 and Sports Plus provide three days of P.E. teaching in school; this includes delivering our curriculum plan in games. Sports coaches plan alongside year group teams, deliver effective teaching (some alongside school staff). Sports coaches also work alongside teaching staff to build assessment profiles and achievement reports for our children • Sports Plus deliver an after school club each week. This club is games based - football and multi skills aimed at Lower Key Stage 2 children or children not always able to access extra-curricular clubs delivered by school staff • Cost of cover for teaching staff to work alongside P.E coaches for improved CPD and PE planning. <p style="text-align: center;">£9 000 this being a subsidy of a higher actual cost</p>
<ul style="list-style-type: none"> • Costs of additional transport to allow additional participation in sporting activity or new events. Wolverhampton has a healthy range of inter and intra school sports from the traditional ones; football, netball to multi sports, tag rugby, golf etc.....

Edward the Elder teams have accessed as many sporting events as is practical in our school and this has been across both Key Stage 1 and 2. Success and participation in these events is reported regularly to our parents through the school fortnightly newsletter.

£1 500 The actual bill will be higher than this

The impact of this year's grant will be recorded later in the summer term... The sustainability and future planning will then be transferred to our School Improvement Plan the secure future grants.
