

## Sports Premium Action Plan 2021 – 2022

### Overall Aim:

“Every child will enjoy increased participation in sporting activities and develop a healthier lifestyle.”

Edward the Elder Primary School will use its Sports Premium Grant to improve P.E and Sports participation across the school and will promote healthy lifestyles for all children.

Edward the Elder Primary School will offer an increasing number of children the opportunity to compete for our school in an increasing number of sporting events and improve the opportunity to develop the excellence of talented children.

### The two main aspects that we will develop are:

- Improving the quality of teaching and learning in P.E and other relevant subject areas.

The school will use the Sports Premium grant to raise standard of teaching and learning in PE, through the input from specialist P.E coaches specialising in games; multi skills, football, dance, racket sports etc...

Currently this provision is delivered by Soccer 2000.

These specialist P.E teachers will be used to teach P.E across all three key stages each week. This will underpin progression and continuity of children’s sporting skills.

- Increasing participation in sporting activities and high quality PE lessons for all:

Increasing participation in sporting activities and local competition and encourage excellence in a wider variety of sports. Increasing the opportunities to take part in inter and intra– school competition will also raise level of motivation and enthusiasm. The Sports Funding will fund the costs of participation in competitions, but more importantly the ever increasing costs of transport to different venues.
