

Year 2 Summer Term Inter-Nation Media Station!

Welcome back after the Easter Break – we hope that you had an enjoyable holiday. We're really looking forward to a full summer term with lots of exciting lessons ahead!

Maths

During our final term, our Year 2 Mathematicians will continue to improve their fluency in number, including the four operations, times tables and number facts. We will continue to practise 2s, 5s and 10s, as well as now learning 3s and 4s. Our aim is for our Year 2 children to be confident enough to apply their skills in number to problem solving and reasoning. We will continue to practise measuring time, length, mass and volume/capacity. In addition, we will improve our skills in shape and statistics.

English

In English, children will continue to learn about spelling, grammar and punctuation while applying this knowledge in instructions, stories, descriptions and poems. Throughout the term, children will practise identifying and using adjectives, nouns, verbs and adverbs in their writing. Children will also focus on using a range of conjunctions.

Science

As scientists, children will continue to learn about animals including humans and they will also be learning about plants. They will describe how seeds and bulbs grow into mature plants. Children will also learn about what a plant needs to stay healthy.

PSHEe

Our focus this term will be Health and Wellbeing. This will include physical health and mental wellbeing, growing and changing and keeping safe.

Religious Education

The children will continue to learn about questions that puzzle us and move onto Holy places.

Thematic

We continue to teach history, geography, computing, music, art and DT through a thematic approach. This term our topic is 'Inter-nation Media Station!' where we will learn about media, TV and radio throughout history. As well as this, we will focus on current media through the medium of the Queen's Platinum Jubilee.

PE

This term there will be a focus on net and wall games, starting with tennis. In addition children will enjoy athletics.
