

# Year 5 Spring Term

|  |  |
|--|--|
| <p><b>Welcome Back to Year 5 .</b><br/> <b>Happy 2018 ! We are going to be working hard this year to make even more progress to achieve our targets. We have an exciting trip coming up to RAF Cosford as well as lots of other exciting learning opportunities...</b></p>   | <p><b>History/Geography</b><br/> This term in History we will be studying World War Two where we will focus on the turning point of the war -The Battle of Britain. As part of our learning we shall be visiting RAF Cosford. In geography, we shall be continuing our study of South America where we shall look at the natural features such as the Amazon River and the Rainforest.</p> |
| <p><b>Maths</b><br/> We shall start back the year by looking at the Fractions, decimals and percentages. The children will be learning how to compare and order fractions as well as multiplying mixed fractions. The children will then move on to learning about the properties of 3D shapes.</p>                      | <p><b>English</b><br/> At the start of term we will be reading classic narrative poetry and stories where the children will be writing character and setting descriptions. Our non-fiction unit we will be focusing on the features of newspapers and advertisements.</p>  |
| <p><b>Science</b><br/> In Science the children will be learning about Forces including gravity, air resistance, water resistance and the effects of friction. We shall also be learning about levers , pulleys and gears. After that the children will be learning about the life cycle of humans and other mammals.</p> | <p><b>P.E.</b><br/> In P.E lessons children will continue to be taught gymnastics on a Tuesday by Mrs Porrett and on Fridays they will be taught by Soccer 2000.</p>   |
| <p><b>Music</b><br/> In music children will be focusing on Jazz music for the first part of the term. They will learn different styles of jazz music and how to perform a variety of songs.</p>  | <p><b>Computing</b><br/> Our young digital learners will enjoy a range of technological lessons this year from e-safety to digital programming where children will learn how to read and use code, trying their hand at debugging.</p>   |
| <p><b>DT</b><br/> This term we will be focusing on textiles. We will be designing a project and sewing using different techniques.</p>   | <p><b>R.E.</b><br/> This term the children will be learning about how Muslims, Jews and Hindus pray and comparing it to Christian prayer. They will learn the importance of prayer to all the religions.</p>   |
